INDEX FOR 1980

This Index of THE NEW LEADER articles for 1980 is divided into three sections:

Section 1, Index of Authors, lists the names of all THE NEW LEADER contributors, whether writers of articles, book reviews, or significant letters to the editor. The name of the contributor is followed by the date(s) on which his contribution(s) appeared, given by month and day (5/5 is May 5).

Section 2, Index of Subjects, arranges articles, columns and letters to the editor according to subject. Under each are listed the relevant titles, authors and dates. Items from the "Correspondents' Correspondence" section are designated (CC).

Section 3, Index of Books Reviewed, lists books alphabetically according to the names of their authors. The author of the book is listed first, then its title, then the name of the reviewer and the date of the review.

Example: Shakespeare, William: Romeo and Juliet, (Charles Lamb) 5/5
